"For Christmas Time"

The whole world is lit up like it's
Some kind of magic dream
Everyone is in love
Or that's the way it seems
Outside the snow is falling
Inside is just as cold
Lying in this empty bed without you
Here to hold

So close yet so far away
For Christmas time
I'm counting down the minutes
Until I see your face
The only gift I want is
To be in your embrace
I can't wait for Christmas time
And even if you're far away now
My heart is there with you
I'm gonna make it somehow
There is nothing I won't do
To be home
For Christmas time

Another crowd of people
Another city street
Another day without you
I'm feeling incomplete
And every time it seems like
I hear the cosmic tune
It only makes me smile
Cause I know I'll be home soon

So close yet so far away
For Christmas time
I'm counting down the minutes

Until I see your face
The only gift I want is
To be in your embrace
I can't wait for Christmas time
And even if you're far away now
My heart is there with you

I'm gonna make it somehow
There is nothing I won't do
To be home
For Christmas time

There is no sleigh without snow
There is no tree without light
There is no need without you
By my side
For Christmas time

I'm counting down the minutes
Until I see your face
The only gift I want is
To be in your embrace
I can't wait for Christmas time
And even if you're far away now
My heart is there with you
I'm gonna make it somehow
There is nothing I won't do
To be home
For Christmas time

I'll be home for Christmas (repeats)
For Christmas time
