[intro]

We believed in fairy tales that day
I watched your father give you away
Your aim was true when the pink bouquet
Fell right into my hands

We danced for hours and we drank champagne
You screamed and laughed when I got up and sang
And then you rode away in a white Mustang
To your castle in the sand

Through the years and the kids and the jobs
And the dreams that lost their way
Do you ever stop and wonder
Do you ever just wanna say

Hey hey, Cinderella, what's the story all about
I got a funny feeling we missed a page or two
somehow
Ohh-ohhhh, Cinderella, maybe you could help us out
Does the shoe fit you now

We're older but no more the wise
We've learned the art of compromise
Sometimes we laugh, sometimes we cry
And sometimes we just break down

We're good now 'cause we have to be
Come to terms with our vanity
Sometimes we still curse gravity
When no one is around

Yeah, our dolls gather dust in the corner of the attic
And bicycles rust in the rain
Still we walk in that fabled shadow
Sometimes we call her name

Hey hey, Cinderella, what's the story all about
I got a funny feeling we missed a page or two
somehow

Ohh-ohhhh, Cinderella, maybe you could help us out
Does the shoe fit you now
Hey! Cinderella, maybe you could help us out
Does the shoe fit you now
Fit you now, Ohh-ohhhh, Cinderella (Cinderella) Does it
fit you now?
Cinderella (Cinderella) Ohh-ohhh-ohhhh Cinderella
(Cinderella)
Hey Cinderella (Cinderella)
