This is it, I've played every trick up my sleeve
And I'm tired of trying to believe
I'm seeing something that's just not there

This is hard when you always
Have somewhere to be
Somewhere but never with me
But I've been a fool to even think that you care

'Cause you're so hung up on yourself
Don't you know, can't you even tell
But tonight you'll be fine
When I'm out with someone else
You're so hung up on yourself

I could stay, fulfill your every single desire
Providing anything you require
But I'll go even though day after day
I look for a reason to stay
If only you could tell why I feel this way

But you're so hung up on yourself
Don't you know, can't you even tell
But tonight you'll be fine
When I'm out with someone else
You're so hung up on yourself

Well, you can't say nothing else
Never noticed how I felt
All the things you never shared
Never cared when I was there
And all the times I thought you cared

This is it, I've played every trick up my sleeve
And I'm tired of trying to believe in you and me

Well, you're so hung up on yourself
Don't you know, can't you even tell
But tonight you'll be fine
When I'm out with someone else

Hey, you're so hung up on yourself

Don't you know, can't you even tell
But tonight you'll be fine
When I'm out with someone else
You're so hung up on yourself
