"I Still Miss Someone"

Out my door the leaves are falling a cold wild wind will
come
Sweethearts walk by together and I still miss someone
I go out to a party to look for a little fun
But I find a darkened corner cause I still miss someone
Though I never got over those blue eyes I see them
everywhere
I miss those arms that held me when all the love was
there
[guitar]
I wonder if he's sorry for leaving what we had begun
There's someone for me somewhere and I still miss
someone
Though I never got over...
And I wonder if he's sorry...
