[Clay Aiken]

I gotta take a little time
A little time to think things over
I better read between the lines in case I need it when
I'm older

[Suzie McNeil]

This mountain I must climb feels like a world upon my
shoulders
Through the clouds I see love shine
It keeps me warm as life grows colder

[Clay Aiken]

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now
I've traveled so far to change this lonely life

[Both]

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

[Clay Aiken]

I'm gonna take a little time
A little time to look around me

[Suzie McNeil]

I've got nowhere left to hide
Looks like love has finally found me

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now
I've traveled so far to change this lonely life

[Both]

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

[Suzie McNeil]
Oh
Let's talk about love

[Both]
I wanna know what love is

[Suzie McNeil]
Love what you feel inside

[Both]
I want you to show me

[Clay Aiken]
And I'm feeling so much love

[Both]
I wanna feel what love is

[Suzie McNeil]
I wanna feel the love

[Both]
I know you can show me

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
