Are we ready?
To spell love differently

We can't call it love
But when I'm with you that's what I'm thinking of
It seems so real
When I tell you how I feel

You and I, I
We got some kind of magic but I'm, I'm
Taking it slow
It's too soon
To say this is forever
But there's one thing that I know for sure

Whenever you touch my skin, whenever you pull me in
Whenever you kiss my lips, I'm trembling
Whenever you hold me tight, whenever you treat me
right
I'm L.U.V, in love tonight
[x2]

It feels so good
I want you to know we're cool, it's understood
The four letter word
It might only make things worse

You and I, I
We got some kind of magic but I'm, I'm
Taking it slow
It's too soon
To say this is forever
But there's one thing that I know for sure

Whenever you touch my skin, whenever you pull me in
Whenever you kiss my lips, I'm trembling
Whenever you hold me tight, whenever you treat me
right
I'm L.U.V, in love tonight
[x2]

Are we ready?

Whenever you touch my skin, whenever you pull me in
Whenever you kiss my lips, I'm trembling
Whenever you hold me tight, whenever you treat me
