Funny how the world can change  
When you're gone nothing's the same  
I do the things we used to do but I don't want to without  
you  
No

So come back and see  
Right here's where you should be

It gets so lonely thinking about you  
Oh  
And wondering where you are tonight and if I'm  
somewhere on your mind  
I've been down every road  
Are you coming home  
Home

I'm standing in an empty room  
The silence tells me I need you  
Wish you could dry away these tears and feel my pain  
Maybe then you'd stay

Oh  
Come back and see  
Right here's where you should be

It gets so lonely thinking about you  
Oh  
And wondering where you are tonight and if I'm  
somewhere on your mind  
I've been down every road  
Are you coming home

Every moment I wait  
Every moment is too late

And I don't know how to get back everything that we  
that had  
It all feels like such a waste

It gets so lonely  
It gets so lonely thinking about you

Oh  
And wondering where you are tonight and if I'm  
somewhere on your mind  
I've been down every road  
Are you coming home  
(Are you coming home)  
Home  
(Are you coming home)  
Home  
Home
