When I walk alone and think of you
I hear music on the wind
Birds are singing cause they hear it too
When there's music on the wind

Once there was a story I was told
Oh how love sings a song
If you hear the wind and listen close
It goes--aria,aria

I can feel the rhythm in my heart
When there's music on the wind
And with every beat it plays a part
Of music on the wind

How can you resist a moonlite night
When there's music on the wind
You and I could listen side by side
To the music on the wind

Just like the story I was told
Oh how love sings a song
If you hear the wind and listen close
It goes--aria,aria

Listen to a lover's rhapsody
It's the music on the wind

Won't you come outside and dance with me
To the music on the wind

Aria,aria
