Momma's crying in the kitchen
Even the dog can feel the chill
She lays her head down on the table
Next to stack of unpaid bills
Daddy comes and put his arms around her
He says, "Girl your stocking's starting to run"
Now it ain't ever been easy
But ain't it always been fun, fun, fun

Well fell in love and there's no way out
Fell in love and there's no way out
Sometimes you just gotta laugh about it
We fell in love and there's no way out

Daddy's cussing in the backyard
Got the engine hanging from a tree
Kicking the tires on the t-bird
He says, "T, you ain't gonna get
The best of me not this time"
Momma comes dancin out the back door
Slappin a dish towel in her hand
She says "don't you be waistin all that good energy
Don't know you know how I love a sweaty man"
Oh man oh

Well fell in love and there's no way out
Fell in love and there's no way out
Sometimes you just gotta laugh about it
We fell in love and there's no way out
