Put those guitars in their cases put those cases on the truck
Drive that truck on to Memphis tune those guitars back up
What we really love is playin' rollin' never slowin' down
But tonight I feel like stayin' I kind of like this little town
And I'm not ready to pack it up yet if you don't have to go
Let's make this a night we'll never forget
There's time for one more one more for the road
[guitar]
Tonight the lights feel like heaven makes me want to give it all I got
That's what I do for a livin' am I lucky or what
And I'm not ready...
[piano]
What we really love is playin' rollin' never slowin' down
But tonight I feel like stayin' I kind of like this little town
And I'm not ready to pack it up yet if you don't have to go
I'd like to stay here and pick one with Chet
There's time for one more one more for the road
[guitar]
