You're gonna have to save yourself this time darlin'
You're gonna have to find a soft heart in someone else
Cause I almost drowned comin' to your rescue
This time around, you're gonna have to save yourself

I'm all out of rope and I'm all out of reasons
You had me thinkin' I could help
That you needed a friend
One little white lie and it all looks deceiving'
You keep goin' back out over your head again

You're gonna have to save yourself this time darlin'
You're gonna have to find a soft heart in someone else
Cause I almost drowned comin' to your rescue
This time around, you're gonna have to save yourself

You can knock on the door
You can rattle all the windows
You can howl like a dog but you're not comin' in

I'm anybody's fool til I learn how the game goes
And I will never be you're fool again

You're gonna have to save yourself this time darlin'
You're gonna have to find a soft heart in someone else
Cause I almost drowned comin' to your rescue
This time around, you're gonna have to save yourself
