Being alone wouldn't make me feel more lonely
I'd sell my soul for a cigarette and one good night's
sleep
Why do I feel beautiful in someone else's eyes?
Why do I feel worthless when no one's told me in
awhile?

Oh, so in love, there's only so much
Can't be with you, can't live without you
Baby, there's never enough
When you're so, so in love

Baby, I drink to freedom, loving, and a smile
'Cause I haven't been the reason for one of those in
quite awhile
'Cause I would give anything to have some peace of
mind
'Cause there ain't no prize that you have for me

So in love, there's only so much
Can't be with you, can't live without you
Baby, it's never enough
When you're so, so in love

When you need a shoulder to cry on
And you got no one to rely on
But that could change

'Cause there ain't no rules to this game
And even if there were
I would break them just to say

So in love, there's only so much
Can't be with you, can't live without you
Baby, it's never enough
When you're so, so in love
