If I told you tonight that I loved you
Would you walk my way, that I love you
Lies that I wanted to hear
If I told you tonight that I need you
Would you break my heart would you start
Wearin' me down again

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you I can't live without you
But I still hold on
I still hold on

If I told you tonight I was leavin'
Would you call my name, take the blame
Turn it all around again
Cause you know I love you
And it's worth the heartache
I curse the heartbreak we make
But I still hold on

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you I can't live without you
But I still hold on
I still hold on
