A diamond is so hard to find you keep searching
patiently
You take a stone and make it shine and somehow you
bring out the best in me
[guitar]
I count on you to lift me up and sometimes take me
down a peg
With a word or just a touch somehow you bring out the
best in me
I'm gonna run until I go to distance cause you believe I
will
And if I stumble baby what's the difference you're
standin' by me still
When there's a path in front of me but I can't find it for
the trees
I look at you and clearly see somehow you bring out the
best in me
[guitar]
I'm gonna run...
I look at you and clearly see somehow you bring out the
best in me
