Yeah
Smooth
(Smooth brother)
Pumpin the tape in my car...
(Smooth brother)
We go for a ride
Lay back and get real smooth, you know
We gon' smooth it out, knowmsayin?
(Smooth brother)

Hello, here we go, with the flow
MC Craig G is on a smooth type of tempo
I know you're tired of yellin and shoutin
So now I'm about to take a whole different route in
Lyrics, to keep you in the smooth spirit
The easier to listen to, the easier to hear it
So come with me on a mission
A refresher course in hip hop easy listenin
I'm sure you'll enjoy it
The track is smooth, so you won't be annoyed with
Screamin or breakin, so when this beat stops
Craig G'll be smoothing out the rough spots

(Real smooth brother)
(Bad on the mic)
Smoothing out the rough spots
(Real smooth brother)
(Bad on the mic)
Yeah, smooth it out

Did you like it? (Yeah!) I'm sure you souled on it
Watch all the bandwaggon jumpers grab a hold on it
And mistreat it, re-use it, or misuse it
And start messin up the music
But see, smoothness is what this consists of
And over a cliff is where the other noise gets shoved
So yo, tone it down a bit
Not all people really like the sound of it
There's nothing wrong with being hardcore
But bein smooth can get the same crowd roar
So try it, I bet you get props

For simply smoothing out the rough spots

(Real smooth brother)

(Bad on the mic)

Yeah, smoothing out the rough spots

(Real smooth brother)

(Bad on the mic)

Yo, smooth it out one time...

(Cold stone lover)

What am I?

(And I'm a cold stone lover)

What am I?

(I'm a cold stone lover)

Ha-ha

Yeah

I like to get smooth

To make the crowd move

And sway side to side

Damn, this sounds fly

I'm about to go with the program

To make this track slam

But not slam too hard

Cause I don't want you leavin from the place with your
ears scarred

But better yet in fact

Yo Marley - (what up, man?) let's change the track

Hm - now that's the way I like it

This is something I really love to write with

And i'm sure you'll be for it

It's smooth, but you still can get on the floor with

Spins, splits, jump flips, and hops

While Craig G is smoothing out the rough spots

Smooth

Smoothing out the rough spots

Smooth it out

Let's smoothe it out

While we're smoothing out the rough spots

Is it smooth

Yo, is it smooth

Yo, is it smooth

While you're ridin to the groove

Is it smooth

Is it smooth

Is it smooth

While you're ridin to the groove

Peace

1990's for your steering pleasure

We outta here
