Well, you call your mama Tiger  
And we all know you ain't lying  
And your boyfriend's name is Eagle  
And he lives up in the sky - watch out  
Watch out the tiger don't go claw the eagle's eye  
But let the eagle take the tiger by surprise  
Scratch out her eyes

So make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can, can the can  
If you can, well, can the can

Well, your sister's got the feline touch, she touches up  
your mind  
And your eagle lover likes his little bit of evil loving all  
the time  
Don't let the cat get into the eagle's nest at night  
Because the eagle could say 'yes' without a fight  
Scratch out her eyes

So make a stand for your man, honey  
Try to can the can  
Put your man in the can, honey  
Get him while you can  
Can the can, can the can  
If you can, well, can the can

Ooh, can the can - can the can, honey  
Ooh, can the can - can the can, honey  
Uh-huh, can the can - can the can, honey  
Ooh, can the can - can the can, honey  
Ooh, can the can - can the can, honey  
Oh, can the can - can the can, honey  
Ah, honey, honey, honey, honey, honey

Make a stand for your man, honey, try to can the can  
Put your man in the can, honey, get him while you can  
Can the can, can the can, if you can, wow!
