(VandaYoung)

I got some money in my pocket
I got my car keys in my hand
I got myself a couple of tickets
To see a rockin' rollin' band
Come on girl just get on your shoes
We're gonna hear some sound
Come on babe you know there ain't no time
Don't mess around
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
You got the body of a woman
The way you move is like a queen
You got the face to raise a riot
And still you're only seventeen
But little girl you're oh so shy
You hardly make a sound
Come on babe you know there ain't no time
Don't mess around
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
So won't you try it baby
I'll take you by the hand
'Cos there's a world out there for you
To know and understand
You gotta chance so take it
You gotta pick and choose
Why don't you just give me one more try
You know you can't lose
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
You got the body of a woman
You nearly make me lose my breath
You know you give me such a feeling
You almost scare me half to death
But little girl you're so reserved

You hardly make a sound
C'mon baby don't you be so shy don't mess around
Evie Evie Evie Evie let your hair hang downEvie Evie
Evie Evie let your hair hang down
Evie Evie Evie Evie let you
