You say that you love me (Say you love me)
All of the time (All of the time)
You say that you need me (Say you need me)
You'll always be mine (Always be mine)
And I'm feeling - Glad all over
Yes I'm a - Glad all over
Baby I'm a - Glad all over
So glad you're mine
I'll make you happy (Make you happy)
You'll never be blue (Never be blue)
You'll have no sorrow (Have no sorrow)
'Cos I'll always be true (Always be true)
And I'm feeling - Glad all over
Yes I'm a - Glad all over
Baby I'm a - Glad all over
So glad you're mine
Other boys may try to take you away (Take you away)
But you know it's by your side I will stay (I will stay)
All of our lives now (All of our lives)
'Til the end of time (End of time)
Because this love now (Because this love)
Is only yours and mine (Yours and mine)
And I'm feeling - Glad all over
Yes I'm a - Glad all over
Baby I'm a - Glad all over
So glad you're mine
Other boys may try to take you away (Take you away)
But you know it's by your side I will stay (I will stay)
All of our lives now (All of our lives)
'Til the end of time (End of time)
Because this love now (Because this love)
Is only yours and mine (Yours and mine)
And I'm feeling - Glad all over
Yes I'm a - Glad all over
Baby I'm a - Glad all over
So glad you're mine
So glad you're mine now
So glad you're mine now
