(QuatroTucky)

And when you see her you feel the pain

It won't hurt you half as much as I can

You know I can

She'll take your money, and make you pay

It won't cost you half as much as I do

It's true

Fire, fire

Twisted tone

Liar liar

Can't resist keeping you whole

Flyer flyer

You think you're so high

Try 'er, Liar

Find out she's telling you lies

But not half as much as me

No not half as much as me

No not half as much as me

Me

Hey baby blue eyes you think it's a game

Nobody plays it half as good as I do

You know I do

You tell your mamma to take you home

'Cos her strings are twice as tight as I am

You know I am

Fire, fire - your twisted tone

Liar liar - can't resist keeping you whole

Flyer flyer - you think you're so high

Try 'er Liar - find out she's telling you lies

But not half as much as me

No not half as much as me

No not half as much as me

Me

Me

Aaaah! aah! aah! aah! aah!

Well, I tell you something, it's no mystery

She don't please you half as much as I do

It's true

I'll write a page in history

There ain't a woman half as bad as I am

You know I am

Fire, fire - twisted tone

Liar liar - can't resist keeping you whole
Flyer flyer - you think you're so high
Try 'er try 'er - you'll find out she's telling you lies
But not half as much as me
No not half as much as me
No not half as much as me
No not half as much as me
No not half as much as me
No not half as much as me
No not half as much as me
