(QuatroAndrews)

Well I gambled, played the game  
Took my chances once again  
Yes I'm always a fool for love when I'm feeling lonely  
And I know he's caused me pain  
But I need him just the same  
'Cos I aint got the strenght to say no when the nights  
are colder  
Another heart made of stone  
And a love I cannot own  
And he cuts me to the bone  
Another heart of stone  
You know the fools who love and run  
And I know I've been fooled by some  
All those promises made disappear in the haze of the  
morning sun  
I wanna take you in my arms  
Wanna drink in all your charms  
Even though it'd tear me apart when the night is over  
Another heart made of stone  
And a love I cannot own  
And he cuts me to the bone  
Another heart of stone  
No matter what do I say  
If I give it all away  
Still won't make me stay  
Another heart of stone  
And if I wield the axe  
Don't make him realise  
Will he ever know the reason why I'm blue  
Another heart made of stone  
And a love I cannot own  
And he cuts me to the bone  
Another heart of stone  
They tell me lovin' rules the night  
But you know love ain't right  
If it's given to one whose affection has no meaning  
Still I gamble like before  
And I'll take just a little bit more  
'Cos your arms hold a thousand reasons to keep me  
dreaming  
Another heart made of stone

And a love I cannot own  
And he cuts me to the bone  
Another heart of stone  
And if I wield the axe  
Don't make him realise  
Will he ever know the reason why I'm blue  
Another heart of stone  
Another heart of stone
