Eye to eye
Across a crowded room
you change my life
you change my life
smile to smile
as would be lovers do
Unchain my life.
Unchain my life.

Face to face
you see so far away.
A Silent World.
A silent world.
You touch my hand
and the music dies away
but no one heard.

Didn't anyone hear
the sound of melody and poetry
of intimate strangers, you and I.
One passing moment in our lives
It's just a heavenly parody
of Intimate strangers in the night
Ohhh you sail my heart away
so intimate, too intimate.

The whisper of strangers
Intimate strangers
Caressing thoughts
as they turn the lights down low
Too soft to show
Too close to know

You brush my lips
The feeling was enough
one touch too much
could mean so muuuuuuuuuuuu yeah
You sail my heart away
Melody and poetry
Of intimate strangers you and i
One passing moment in our lives
Its just a heavenly parody of

intimate strangers in the night
oooooh you sail my heart away

So intimate, too intimate
The whisper of strangers
Intimate strangers

Eye to eye
Across this crowded room of closing sea
dare we to dream
