You broke my heart when you came home with
someone else's lipstick on
You shut the door and climb the stair, your attitude is
you could care about me
When you pull the covers back and climb into the sack,

Inhale the scent of someone else's lipstick

Someone else's lipstick
Someone else's lipstick
Someone else's lipstick
Someone else's lipstick
Lipstick
Someone's trashy lipstick
Someone's sticky lipstick
Someone's s
