(QuatroTuckey)

Go into the parlour

Make yourself at home

Don't you think you oughta

Call me on the phone

Before you come around

Pour yourself a whisky if you have a thirst

If it makes you frisky

I guess I'll never learn

Baby what you're doin' to me

Touch me with your Roman Fingers

Love me 'til the day I die

I'll never leave you Roman Fingers

You know why

Touch me with your Roman Fingers

Love me 'til the day I die

I'll never leave you Roman Fingers

You know why

Because you please me soBecause you please me so

Because you please me so

Wake me in the morning

Wake me before you go

Find some time to kiss me

I want to love you so

The days are passing slow

Don't leave me no money

Coins ain't no reward

All the love I give you

Is all I can afford

Baby what you're doin' to me

Touch me with your Roman Fingers

Love me 'til the day I die

I'll never leave you Roman Fingers

You know why

Touch me with your Roman Fingers

Love me 'til the day I die

I'll never leave you Roman Fingers

You know why

Because you please me soBecause you please me so

Because you please me soBecause you please me so

Because you please me so

Touch me with your Roman Fingers

Love me 'til the day I die
I'll never leave you Roman Fingers
You know why
Touch me with your Roman Fingers
Love me 'til the day I die
I'll never leave you Roman Fingers
You know why
Because you please me soBecause you please me so
Because you please me so
