So tired

Tired of waiting

Tired of waiting for you

I was a lonely soul

I had nobody 'til I met you

But you keep a me waiting all of the time

What can I do

It's your life and you can do what you want

Do what you like

But please don't keep a me waiting

Please don't keep a me waiting

'Cos I'm so tired of waiting

Tired of waiting

Tired of waiting for you

So tired

Tired of waiting

Tired of waiting for you

It's your life and you can do what you want

Do what you like

But please don't keep a me waiting

Please don't keep a me waiting

'Cos I'm so tired of waiting

Tired of waiting

Tired of waiting for you

So tired

Tired of waiting

Tired of waiting for you

For you

For you

For you

For you

For you

For you

For you

For you

For you

For you

For you

For you

For you

For you
