(QuatroTuckey)
You're jagged mind
So very crude and unrefined
Totally unreal
Its sympathies I sense are few
Leave me alone
Find your way home
You're too transparent
Leave me alone
Find your way home
You're too transparent
Sensitive soul
I need a man designed to roll
Part of the game
I needed to communicate
Leave me alone
Find your way home
You're too transparent
Leave me alone
Find your way home
You're too transparent
There's nothing to discover
No secrets to find
There's nothing to uncover
Completely black and white
Leave me alone
Find your way home
You're too transparent
Leave me alone
Find your way home
You're too transparent
Leave me alone
Find your way home
You're too transparent
Leave me alone
Find your way home
You're too transparent
Push when you pull
You're lovin's so predictable
I can't get close
Too stiff and unemotional
