(QuatroTuckey)

You messed my mind

Destroyed my soul

How was I supposed to know about the power of love

You were wiser and older than me

How you touched my heart

Then you ripped it apart

You changed an innocent smile and girlish laughter
into crying eyes over night

So good luck I hope you realise

What I gave to you

A virgin's love

A childish trust

Makin' love was something new

You found me so young

And taught me all you knew

But I'm leaving a lot wiser than you

I remember when

I thought you were my friend

I believed all those lies you said

She doesn't understand

You're the only one for me

Secret rendezvous

Stolen nights for two

Then suddenly something happened and I realised

I'd given it all to you

So good luck I hope you realise

What I gave to you

A virgin's love

A childish trust

Makin' love was something new

You found me so young

And taught me all you knew

But I'm leaving a lot wiser than you

Good luck I hope you realise

What I gave to you

A virgin's love

A child of trust

Makin' love was something new

You found me so young

And taught me all you knew

But I'm leaving 'Cos I'm wiser than you

So good luck I hope you realise
What I gave to you
A virgin's love
A childish trust
Makin' love was something new
You found me so young
And taught me all you knew
And I'm leaving a lot wiser than you
Oooooohh good luck, I hope you realised what I gave to
you
A virgin's love
A childish trust
Makin love was something new
Ooh you found me so young
And taught me all you knew
Now I'm leaving a lot wiser than you
