(QuatroTuckey)

I saw you standing on the corner

So provocative

Fired my imagination

Could this be all a dream I wonder

Is it love or infatuation

I stroll on over

Tap you on the shoulder

I said hey there, how ya doin'

Well I love the way you look

I love long legs

I like your style

When you move so fast

You make a woman cry (You make a woman cry)

A woman cry (You make a woman cry)

You make a woman cry (You make a woman cry)

Woman cry (You make a woman)

I feel a sensual devotion

Maybe second sight

Or maybe inner vision

Could you fill the canyons in my mind

I wonder do you need

Someone to believe in

Your presence causes such commotion

Oh I can't touch myself

Too hot to handle

Well I love the misery

love the game

I like the words

So provocative

You make a woman cry (You make a woman cry)

A woman cry (You make a woman cry)

You make a woman cry (You make a woman cry)

Woman cry (You make a woman)

If I get crazy in the middle of the night

It's because I need your arms to hold me tight

And if I tell that I don't need your love

You can be sure that I want love - woman cry

You make a woman cry (You make a woman cry)

A woman cry (You make a woman cry)

You make a woman cry (You make a woman cry)

Woman cry (You make a woman)

You make a woman cry (You make a woman cry)
A woman cry (You make a woman cry)
You make a woman cry (You make a woman cry)
Woman cry (You make a woman)
