Johnny angel johnny angel johnny angel johnny angel
your an angel to me
johnny angel
how i love him
hes got something that i cant resist
but he doesnt even know that i exist
johnny angel
how i want him
how i tingle when he passes by
every time he says hello
my heart begins to fly
im in heaven i get carried away
i dream of him and me
and how its gonna be
other fella's call me up for a date
but i just sit and wait,
id rather concentrate
on johnny angel
cuz i love him
and i pray that someday he'll love me
and together we will see
how lovely heaven will be
im in heaven
i get carried away
i dream of him and me
and how its gonna be
other fellas
call me up for a date
but i just sit and wait
id rather concentrate on johnny angel
cuz i love him
and i pray that someday he'll love me
and together we will see how lovely heaven will be
johnny angel johnny angel...
your an angel to me
johnny angel johnny angel
