I got a new address  
So forward my mail  
It's more wild  
Than the depths of hell  
The freebirds live  
Across the street  
The cops drive by  
In a fleet

1313 badstreet  
The baddest part of town  
1313 badstreet  
Everything's going down  
1313 badstreet  
It's where I live  
1313 badstreet  
You can't take what I can give

Badstreet is 13 blocks long  
To get to the end  
You gotta be strong  
My house number is 1313  
a tougher neighborhood  
You've never seen  
The cops go by in groups of four  
If a fight breaks out  
They'll be alot more

1313 badstreet  
The baddest part of town  
1313 badstreet  
Everything's going down  
1313 badstreet  
It's where I live  
1313 badstreet  
You can't take what I can give

You think you're bad  
You think you're tough  
Take a walk down badstreet  
It's plenty rough

You'll never see my house  
You won't make it  
Past the first block  
But anytime you wanna try  
Why don't you take a walk  
(down badstreet)

1313 badstreet  
The baddest part of town  
1313 badstreet  
Everything's going down  
1313 badstreet  
It's where I live  
1313 badstreet  
You can't take what I can give

I live in the last house on the left  
Badstreet baby, anytime
