Well, I found me
Lord, I found me a full-time lover
Yes, I found, I found me
Lord, I found me a full-time lover
Well, she used to be my part-time woman, man
But she's my full-time lover now
Well, I work the graveyard shift
Seven days a week
I'm so downhearted
I can't hardly even speak
I'll tell you the reason
The reason why I feel this way
I can't find a full-time love
Yes, but I think I found her today
Yes, I found me
Lord, I found me a full-time lover
Well, she used to be my part-time girl, man
But she's my full-time lover now
Well, people, you don't know
You don't know the shape I'm in
I ask her where's she goin'

She tell me where she's been

She came home last night

Thought she was goin' back outdoor

Then she told me, "Daddy

I ain't leavin' you no more"

Yes, I found me

Lord, I found me a full-time lover

Well, she used to be my part-time woman, man

But she's my full-time lover now
