She walks down the street a knockin' em dead

Store window dummies even turn their heads

Shure Enuff Powerful Stuff

When I saw her I burned my black book

Made a blind man take a second look

Shure Enuff I think im in love and thats Powerful Stuff

Nogahide Skirt, black stack heels

Red cooper hair, dig that wig its unreal

Shure Enuff Powerful Stuff

Ole man Atlas holding up the world

He dropped everything for that girl

Shure Enuff I think im in love and its Powerful Stuff

Hip Shakin' Whip Snakin' Cooked my Goose

I tell you that babe shes a fine papoose.

I love her mind , but heres the deal

Shes got the kind of groove like the batmobile.

She opens her eyes and turns on the juice

Pullin' like a magnet and she dont turn loose

Shure Enuff Powerful Stuff

When she starts rockin'

Dont touch that dial

Shes a humming, but a giving

What a Woman Child

Shure Enuff I think im in love

I think im in love I think im in love

And its Powerful Stuff
