Seems like after all we've been through,
We would've learned by now
Never to fight for who gets the last word
It doesn't matter anyhow
But round and round we go in circles
Trying to work things through
Sometimes it feels like miles between us
But I keep comin' back to you
And it's rough, and it's tough, and it's harder than any-
-thing I've ever tried to do
But I love you so much that in spite of the struggle
I keep comin' back to you
Hold me now, just think about
This room that we've shared so long
We've studied the map of cracks in the ceiling
Talking till the break of dawn
Oh, there is something strong as history
Telling me this love is true
It says, follow your heart, and you'll be happy
So I keep comin' back to you
And it's rough, and it's tough, and it's harder than any-
-thing I've ever tried to do
But I love you so much that in spite of the struggle
I keep comin' back to you
And it's rough, and it's tough, and it's harder than any-
-thing I've ever tried to do
But I love you so much that in spite of the struggle
I keep comin' back to you
