Seems like after all we've been through, we would've  
learned by now  
Never to fight for who gets the last word, it doesn't  
matter anyhow  
But round and round we go in circles, trying to work  
things through  
Sometimes it feels like miles between us, but I keep  
comin' back to you

And it's rough, and it's tough, and it's harder than  
anything I've ever tried to do  
But I love you so much that in spite of the struggle  
I keep comin' back to you

Hold me now, just think about this room that we've  
shared so long  
We've studied the map of cracks in the ceiling, talking  
till the break of dawn  
Oh, there is something strong as history, telling me this  
love is true  
It says, follow your heart, and you'll be happy, so I keep  
comin' back to you

And it's rough, and it's tough, and it's harder than  
anything I've ever tried to do  
But I love you so much that in spite of the struggle  
I keep comin' back to you

And it's rough, and it's tough, and it's harder than  
anything I've ever tried to do  
But I love you so much that in spite of the struggle  
I keep comin' back to you
