(Patsy Montana)

I wanna be a cowboy's sweetheart  
I wanna learn to rope and ride  
I wanna ride through the plains and the desert  
Out west of The Great Divide  
I wanna hear the coyotes howling  
While the sun sets in the west  
I wanna be a cowboy's sweetheart  
That's the life I love the best.

--- Yodel ---

I wanna ride a paint, move it at a run  
I wanna feel the wind in my face  
A thousand miles from the city lights  
Goin' in the cowman's face  
I wann pillow my head beneath the open sky  
While the moon shines down from above  
As the sun sets in the west  
I wanna strum my guitar and "yodel-le-hee-hee"  
Oh, that's the life I love the best.

--- Instrumental ---

I wanna be a cowboy's sweetheart  
I wanna learn to rope and ride  
I wanna ride on the plains and the deserts  
Out west of the Great Divide  
I wanna hear the coyotes howlin'  
While the sun sets in the west  
I wanna be a cowboy's sweetheart  
The life I love the best.

--- Yodel to fade ---
