She'll take the painting in the hallway  
The one she did in Jr. High  
That old lamp up in the attic  
She'll need some light to study by

She's had 18 years  
To get ready for this day  
She should be past the tears  
She cries some anyway

Oh, oh, letting go  
There's nothing in her way now  
Oh, letting go, there's room enough to fly  
And even though, she's spent her whole life waiting  
It's never easy letting go

Mother sits down at the table  
So many things she'd like to do  
Spend more time out in the garden  
Now she can get those books read too

She's had 18 years  
To get ready for this day  
She should be past the tears  
But she cries some anyway

Oh, oh, letting go  
There's nothing in her way now  
Oh, letting go, there's room enough to fly  
And even though, she's spent her whole life waiting  
It's never easy letting go

Oh, oh, letting go  
There's nothing in her way now  
Oh, letting go, there's room enough to fly  
And even though, she's spent her whole life waiting  
It's never easy letting go

It's never easy letting go
