(Rob Mathes/Stephanie Lewis)

Where once the moon was just a rock spinning in the sky

Where once the stars were only tiny points of light

Now the moon looks like it's heaven's shining pearl

Now those stars, they look like windows into another world

Look what love has done, to me,

Look what love has done

There's poetry in all I see,

Look what love has done

And my heart is dancing through each day

My soul is running free

Look what love has done, to me

Where once each breath

Was just a sign of aching emptiness

Where once I hardly felt the beating in my chest

Now each breath feels like a precious kiss of life

Now inside me beats the winds of a thousand butterflies

Look what love has done, to me,

Look what love has done

This must be how it's meant to be,

Look what love has done

And my heart is dancing through each day

My soul is running free

Look what love has done, to me

And I can't tell was that a violin,

Or did you say something

Was that lightning striking where I stand

Or did you just reach out and take my hand

Look what love has done, to me,

Look what love has done

There's poetry in all I see,

Look what love has done

And my heart is dancing through each day  
My soul is running free  
Look what love has done, to me...
