Where once the moon was just a rock spinning in the sky

Where once the stars were only tiny points of light  
Now the moon looks like it's heaven's shining pearl  
Now those stars, they look like windows into another world

Look what love has done to me, look what love has done

There's poetry in all I see, look what love has done  
And my heart is dancing through each day  
My soul is running free  
Look what love has done to me

Where once each breath was just a sign of aching emptiness

Where once I hardly felt the beating in my chest  
Now each breath feels like a precious kiss of life  
Now inside me beats the winds of a thousand butterflies

Look what love has done to me, look what love has done

This must be how it's mean to be, look what love has done

And my heart is dancing through each day  
My soul is running free  
Look what love has done to me

And I can't tell was that a violin, or did you say something

Was that lightning striking where I stand  
Or did you just reach out and take my hand

Look what love has done to me, look what love has done

There's poetry in all I see, look what love has done  
And my heart is dancing through each day  
My soul is running free  
Look what love has done to me
