Album: Common Thread The Songs of the Eagles

All alone at the end of the evening

And the bright lights have faded to blue

I was thinking about the one man who might love me

I never knew.

You know I've always been a dreamer,

Spend my nights running round

And it's so hard to change, can't seem to settle down

But the dreams I've seen lately

They're all turning out, and burning out,

And turning out the same.

So put me on a highway and show me a sign

And take it to the limit one more time.

--- Instrumental ---

You can spend all your time making money

You can spend all your love making time

If it all fell to pieces tomorrow

Would you still be mine.

And when you're looking for your freedom,

Nobody seems to care

And you can't find the door, can't find it anywhere

When there's nothing to believe in.

Still you're coming back you're running back,

You're coming back for more

Put me on a highway, show me a sign

And take it to the limit one more time.

Take it to the limit, take it to the limit

Take it to the limit one more time.

Take it to the limit, take it to the limit

Oh you can take it to the limit one more time.

Take it to the limit, take it to the limit

Take it to the limit one more time.

Take it to the limit, take it to the limit

Take it to the limit one more time...
