Watch out when they start to twist
Hold tight with a leather fist
That's what his daddy told him
How to ride the bull

There's a jingle in his jeans
Sore places in between
He's leaving me in Tennessee
With a push and a pull

Ten four, honey, come on back
Horse trailer on your Cadillac
I'm calling for a cowboy
In the Coupe De Ville

Chug a lug up one side
Glide down the other
He's a lover of the other side
Of the hill

Turn up that radio
Don't think about rodeo
Don't think about round-up
Up in old Cheyenne

It's a crazy circuit
Yea and he still works it
Come on, turn that sound up
Let's check the scan

Ten four, honey, come on back
Horse trailer on your Cadillac
I'm calling for a cowboy
In the Coupe De Ville

Chug a lug up one side
Glide down the other
He's a lover of the other side
Of the hill

Bandana on a rear view mirror
Still wet from ear to ear

I'm praying he'll remember
What the wise man say

When you ride that last one
Better make it a fast one
Jump while he's movin'
Just walk away

Ten four, honey, come on back
Horse trailer on your Cadillac
I'm calling for a cowboy
In the Coupe De Ville

Chug a lug up one side
Glide down the other
He's a lover of a other side
Of the hill

Ten four, honey, come on back
Horse trailer on your Cadillac
I'm calling for a cowboy
In the Coupe De Ville

Chug a lug up one side
Glide down the other
He's a lover of the other side
Of the hill
