There's a wondrous sight and a joyful sound  
Every Christmas Eve in a western town  
Gather up the kids  
All the friends and family

'Cause the holly's hung and the candle's bright  
Their tunin' up the fiddle's on a moonlit night  
Roll back the rug so we can  
Two-step 'round the Christmas tree

There's a jolly man in a bright red suit  
Did you ever see a Santa in cowboy boots?  
Twirlin' 'cross the floor  
Spurs a-jinglin' merrily

When they sing those carols, soft and low  
We'll all be shoutin' out 'Cotton-eyed Joe'  
Roll back the rug so we can  
Two-step 'round the Christmas Tree

Waitin' 'neath the mistletoe  
You'll never get a kiss  
I never move that slow  
There's to much I could miss

'Cause a western girl, can't be still  
And a silent night is not for me  
Roll back the rug so we can  
Two-step 'round the Christmas Tree

Red bandanas, jelly green  
Silver buckles on a new blue jeans  
Jumpin' 'round the room  
To a Yuletide melody

Well, I'm gonna be ready when Santa comes  
But I'm gonna be dancin' 'til he does  
Roll back the rug so we can  
Two-step 'round the Christmas Tree

Waitin' 'neath the mistletoe  
You'll never get a kiss

I never move that slow  
There's too much I could miss

'Cause a western girl, can't be still  
And a silent night is not for me  
Roll back the rug so we can  
Two-step 'round the Christmas Tree  
Roll back the rug so we can  
Two-step 'round the Christmas Tree
