I didn't mean to get this close, it feels too right  
And I'll think straighter tomorrow if I don't hold you  
tonight  
I realize it's time for me to go  
But it seems only fair to let you know

Of all the things I wanna do and never done  
You'd be the one  
(You'd be the one)  
And if you want to know how close I'd ever come  
(You'd be the one)  
You'd be the one

Looking at it honestly, I guess I knew  
I opened up this door but I can't let you walk through  
I have too much to lose if I fall  
But if it means anything at all

Of all the things I wanna do and never done  
You'd be the one  
(You'd be the one)  
And if you want to know how close I'd ever come  
(You'd be the one)  
You'd be the one

I wear this ring to tell the world I love one man  
But you and I almost got out of hand

Of all the things I wanna do and never done  
You'd be the one  
(You'd be the one)  
And if you want to know how close I'd ever come  
(You'd be the one)  
You'd be the one

Of all the things I wanna do and never done  
You'd be the one  
(You'd be the one)  
And if you want to know how close I'd ever come  
(You'd be the one)  
You'd be the one
