Fact: I'm A Yung Nigga Holding It Down, Staying  
Around,  
Slapping Stupid Niggas Down To The Ground, I Stays  
On The Block All Day And Night, And If A Nigga Got  
Beef I Can Serve It Right, Hit'em In The Mouth And  
Call It A Night, When I'm Done I'll Be Sticking They  
Wife, All I Do Is Run The Streets, Stays With The Heat,  
Just In Case I Catch Beef, Most Likely I'll Be With My  
Niggas So We Can Sweep The Streets, If I'm Not On  
The Block, I'm At The Spot, Just Cause The Block Got  
Too Hot, Them Stupid Feds Make Me Sick, Everytime I  
Turn Around They On My Dick, But I'm Just Too Slick,  
They Could Never Catch Me Cause I'm Too Quick, We In  
The Streets Getting It Done, So Everyone Move Cause  
Here  
We Come.

Silus: I Got Your Girl Calling Me, While You Balling With  
Me,  
I Got Your Girl Screaming, Swallowing My Sceaming,  
After  
That I'm Straight Up Sceaming, I'll Throw You On The  
Ground And Give You Another Beating, Not Like The  
Cops  
We Don't Like Them Niggas That Like To Cock Block,  
We  
Are Like The Jefferson's, We're Moving On Up To The  
Top,  
And We Just Can't Stop, Everyday I'm Mild But If You  
Get On  
My Bad Side, Man, I'm Gonna Be Wild, I'm A Straight  
Beast,  
But I Stay Hitting Your House Like It Wuz A Grand Feast.

Money, I'm  
All About Greed, I Produce Seamen, Like Bitches  
Produce Seeds,  
I'm A Yung Nigga A.K.A Thug, Ya Girl Might Look Good,  
But You Is One Ugly Mug, I Stay's Up And Straight Sling  
Drugs, I Got That Work, The Type Of Shit To Make Ya  
Girl  
Twurk, It's That Good, Just Coming From My Hood, If  
You  
Got A Problem You Need To Do What You Should, If You  
Got Beef Through Up Ya Set, Cause Once I Beat Ya Ass,  
I'm  
Gon Go And Make Ya Girl Nice And Wet, I'll Make Her  
Cum  
In Her Panties Without Even Being There, That's That  
Shit  
That Happens From Me Talking Into Her Ear, Niggas  
Always  
Asking Me, Why They Call You Fact, Cause It's A Fact, If  
Someone Blast At Me, I'm Gon Blast Back, Once I Hit  
You  
I'm Gon Make Sure Everything Go Black, I Do What I Do,  
When I'm Done With You, I'm Gon Make Your Girl My  
Boo.

The  
Yellow Pages, Cuz I Only Speak When I'm On Stage,  
And Not  
To Mention, I Carry A Nine, Right Along With A Gage,  
My

That Get On Your Nerves, And Straight Call You A Perv,  
When  
She At A Party Tryna Flirt, And Letting Me Under Her

Next Thing She'll Be Talking Mad Dirt, About How You
