We got a burner Doc!  
Yeah, uh, yeah, y'all know what it is, uh  
Its Skillz  
We back uh  
I mean y'all asked for it, so I had to do it again  
knowhatimsayin? Yeah, '03, let's go

Yo, its the S-K-I to them Double-L-Z y'all  
Recappin the 2 Double-0 3 y'all  
R. Kelly saved face  
He wrote so many hits that we forgot about his sex  
case  
Everybody got a hit from the king  
But I ain't get the mask and the whole Pied Piper thing  
Till I found out who that really is  
Ain't that the dude that left town with all the little kids?  
Label of the year would have to be Shady  
I watched Lil Jon turn into J.D  
And speakin of attraction  
Don't you get sick when you realize he hit Janet  
Jackson?  
Da Band got a easy break  
And had the whole world talkin bout not walkin for  
cheese cake  
And here's the funny part  
The blackout hit and you had to walk just to sit in the  
dark  
Rappers kept fake pimpin'  
And don't lie you know you like watchin Jessica Simpson  
And ey'body kept eyes part flashin  
Styles came home, Yayo went back in  
The industry was silent  
The dummy move of the year  
that would be Kobe Bryant  
Y'all think she lyin?  
Thats the second time Kobe been on T.V. cryin  
I'm like damn Kobe  
In high school you was the man Kobe  
What the hell happened to you?  
Sean Paul stayed busy  
They careers looked iffy

So Madonna decided to kiss Britney  
That sent a shock thru the city  
I wasn't shocked  
what would've shocked me if she kissed Missy  
and the south made a come back  
Note to BET I don't wanna see Bone Crusher's butt  
crack  
Ja Rule got madder, we watched the Farrakahn special  
Irv watch the Viagra  
What's next? we movin on  
Ey'body forgot about the girl that made the uh-oh song  
50 kept stuntin  
Club songs of the year Joe Budden or Pharrell with  
Frontin  
Roc The Mic was the tour  
But didn't you feel Babs and Lil Kim performin at the  
BET awards?  
If you agree wit this one then wave your hands  
Whos tired of the throwbacks and the chickenhead  
dance?  
Okay same here  
Nelly and Chingy got robbed in the same year  
Shocked? I'ma say it quite clurr  
When your boys in Philly man  
Have his bodyguard right thurr  
Labels wasn't doin well  
They put gold tickets in albums to boost the sales  
And thats saddenin  
Cuz if you got a gold ticket you prolly copped the CD  
from Bin Laden  
As far as couples go they was on the hush strictly  
Beyonce and Jay-Z, Vivica and 50  
I told you Ben and Jen was shifty  
Everybody make some noise if you went to see Gigli!  
....  
Alright, okay  
As far as American Idol, the winner was Clay  
Pregnancy on TV was Toni Braxton  
Ashanti came back lookin like Janet Jackson  
Beyonce hit the top  
If you a female singer  
and I ain't call your name? you flopped  
Jay-Z was done  
Thank God we got the ODB show on VH1  
Cam'Ron made 'em think  
I can't believe that dudes was walkin around my hood  
in pink  
Thank God I'm a southerner  
Cuz you know its over once you got the Terminator for  
your governor  
Oukast was wil'yin

Video of the year goes to Dre Ice Cold 3000  
This year was kinda lame  
It's funny, the league replaced Kobe with LeBron James  
The Roy Jones fight was foul  
And BET don't love nobody like B2K and Bow Wow  
He barely went gold fa sho  
Jermaine proolly in Atlanta like I told you so  
Kanye sipped the siz-yurp  
Zino found a tape wit Eminem usin the N wiz-ord  
Em I doubt that you a racist kid  
Thank God ya shit hit the fan the same week that Mike's  
did  
And Mike be confused again  
We don't know if he tuckin 'em in or stuffin 'em in  
Question is will they nail him?  
To me he don't look like LaToya, he look like Liz Taylor  
Diddy ran the marathon well  
Hottest show on TV hands down Dave Chappelle  
These labels is sinkin  
So when you say Rawkus, I say what the hell I was  
thinkin?  
Hottest song In Da Club by 50  
And since she got the thighs out I'm lookin at Missy  
Jay tried to leave like Mike  
RIP to Soulja Slim, Rerun, and Barry White  
This year y'all did it fa sho  
This Skillz welcomin y'all to the Double-0 4
