I won't face another day
I won't wait until tomorrow
I won't spend another night without you

Let me carry you away
Let me wake you every morning
Let me wander every day beside you

'Cause you dance in my head
In my heart
In my everything 'cause you belong

You won't worry 'bout a thing
You can sleep a little longer
You can dream another dream beside me

I could walk another road
(I could walk another road)
I could sing another sad song
(Hey)
But I could never make it home without you

'Cause you dance in my head
In my heart
In my everything 'cause you belong

Hey
'Cause you belong
'Cause you belong
Hey
Oh
Ah
Hey
Yeah

'Cause you dance in my head
In my heart
In my hands

'Cause you dance in my head
In my heart

In my hands

'Cause you dance in my head
In my heart
In my hands

'Cause you dance in my head
In my heart
In my hands 'cause you belong

Hey
Yeah
'Cause you belong
