I clench my teeth and realize

My world is so near its demise

A dying sun in a poisonous sky

Stinging my eyes

Burning with contempt and conflict

As of now

I am a tool

Of severe impact

I clench my fist and visualize

The blood that is spilled is our own

I open wide my bloodshot eyes

Count the dead

A result of disfunction

Chorus:

As of now

I am a tool

Of severe impact

Hammer down

Cause and effect

And create a new world

Pound, drive, swing, strike

Break down, smash down

Pound and drive, swing and strike

Break it down

I am a tool

Repeat chorus (x2)

I am a tool...

I am a tool to break down

Break it down and smash it all away
