Here in my car

I feel safest of all

I can lock all my doors

It's the only way to live

In cars

Here in my car

I can only receive

I can listen to you

It keeps me stable for days

In cars

Here in my car

The image breaks down

Will you visit me please

If I open my door

In cars

Here in my car

I know I've started to think

About leaving tonight

Although nothing seems right

In cars

I know I've started to think

I know I've started to think
