Consequences that had left me for dead
Repercussions that went straight to your head
Trusting in no one!
Believing in nothing!
Living in a world of pure deception
So far this life is contemptuous
This mind, a gun, so relentless
Damn! I am damaged for life!
Damn! Like i've been been crucified!
Damn! I am damaged for life!
And i can't believe im alive!
Determined to destroy all that you know
Conceal your lies in the web you compose
Trusting in no one!
Believing in nothing!
Living in a world of pure deception
So far this life is comtemptuous
This mind, a gun, so relentless
Damn! I am damaged for life!
Damn! Like i've been crucified!
Damn! I am damage for life!

Damn! And i can't believe i'm alive!

Alive!

So far this life is contemptuous

This mind, a gun, so relentless

Damn! I am damaged for life!

Damn! Like i've been crucified!

Damn! I am damaged for life!

Damn! And i can't believe i'm alive!

And i cant believe im alive x2
