"Descent"

Falling victim from neglect
Designed thoughts and intellect
Forgotten and displaced
The crux of my dismay
I feel nothing
I am nothing
I feel nothing
Nothing
How deep I descend?
Until I reach my end?
How deep I descend?
Deeper into this abyss
Weighted down and sinking fast
Life did not offer me
More than false destiny
I feel nothing
I am nothing
I feel nothing
Nothing
How deep I descend?
Until I reach my end?

How deep I descend?

I am nothing

I feel nothing

I am nothing

I feel nothing

Nothing

Nothing...

How deep I descend?

Until I reach my end?

How deep I descend
