Dog Day Sunrise

Every day of my life

I'm working on a scheme

Working overtime underground

Girls work under floors

The failures tend the moors

But once the seem is cut

They find out what is learned

Dog Day Sunrise

Dog Day Sunrise

Dog Day Sunrise

Dog Day Sunrise

Drag your feet through hollow streets

Drag your feet through hollow streets

Drag your feet through hollow streets

Drag your feet through hollow streets

Dog Day Sunrise

Dog Day Sunrise

Dog Day Sunrise

Dog Day Sunrise

Valentine has shining eyes

Valentine has shining eyes
My valentine has shining eyes
Valentine has shining eyes
Dog Day Sunrise
Dog Day Sunrise
Dog Day Sunrise
Dog Day Sunrise
Valentine has shining eyes
Valentine has shining eyes
My valentine has shining eyes
Valentine has shining eyes
Dog Day Sunrise
