i lied

right to your face

and I'll burn internally

in flames,in flames,in flames,in flames

instinct

have afailed me now

inslaved

by my mistakes

lies sink in like gasoline

saturates my body

onc last spark of dishonesty

and that will be the death of me

damned in flames,damned in flames,damned in
flames,damned in flames

lies engulf me

lies the burn me

lies the purge me

lies the free me

lies sink in like gasoline

saturates my body

one last spark of dishonesty

and that will be the death of me

damned in flames,damned in flames,damned in
flames,damned in flames
